DEMONSTRATION FARM PLANNED BY WINGFIELD

PAYS J. W. FERGUSON \$8000 FOR 80 ACRES AND WILL SUB-DIVIDE 600 ACRES.

George Wingfield continues to reach out in his campaign of development in Churchill county, says the Fallon Eagle. Last week he closed a deal wherein he purchased from J. W. Ferguson the 80-acre farm just south of the home place of the latter, and known as the Hub Austin ranch. The price paid was the neat little sum of \$8000, or \$100 per acre. There are 67 acres of irrigable land on the tract.

Mr. Wingfield said he expected to use one corner of the place in toppling hogs for the market, feeding them on milk from the Churchill creamery, which he recently purchased. But this is but one of the objects, for it is given out that Mr. Wingfield expects to make of this a sort of demonstration farm, wherein he will place some of the finest dairy cows brought in from California and show what can be accomplished with alfalfa hay, Lahontan valley sunshine and the little dairy cow.

Mr. Wingfield also has in hand a plan to subdivide his 600 acres of alfalfa land on the inland ranch, leasing it to farmers and furnishing them with cows for dairy purposes. His buyers are now busy in California selecting another shipment of dairy cows for this valley.

TWO DAY WEDDING CEREMONY CLOSED

SECOND WEDDING IN TWO MONTHS IN A POPULAR RESIDENCE.

A wedding in the best Slavonian circles occurred Saturday and Sunday, with Justice Dunsmuir officiating as the one who tied the knot that binds two lives. The function really began Saturday morning, but the actual ceremony was not performed until Sunday, when the guests had all assembled for the wedding feast, which included a good fat turkey and two wedding cakes, each two feet in diameter and topped with clusters of confectionery and flanked by wines.

The parties to the contract were Silmo Kulich and Maliska Svajlich, one of the prettiest girls of her race in the district, and who was groomed in the traditional style, including veil and stork. The possibility of the marriage ceremony in that style and from such a place and the time is put on over the place, among the guests were Mrs. Uman, George Babovich, Henry Chichovich and George Pahn.

Justice Dunsmuir thinks there is good luck attached to his new home of the couple, as it is situated opposite the bottle house and is the same house where he celebrated his last previous wedding.

COAL MINE STRIKE.

(By Associated Press.)

DENVER, Colorado, November 2.—One man was slightly wounded in a clash at midnight between strikers and strikebreakers at Louisville.

A Free Chi-Namel Demonstration

You can ask the Demonstrator to show you any Chi-Namel product you may be interested in, actually applied.

For instance—White Enamel, Porch Furniture Enamel, Gold and Aluminum Paint, Varnish Remover (the kind that softens old varnish so it can be washed off with a common scrub brush and clear water), Floor Wax, Furniture Polish, Mission Stains, Colored Varnishes for staining and varnishing with one application.

She will not merely show you the package containing these materials, but show it IN THE BRUSH, and applied before your eyes—in fact, you can take the brush and apply it yourself.

You can see the actual colors—see how easy it is to apply—how all brush marks disappear before it hardens. This will be a demonstration worth while for any one who is responsible for the care and good appearance of the interior woodwork and furniture of a home.

By asking for a demonstration of any particular Chi-Namel product you will not place yourself under obligation to buy; this demonstration is to acquaint the public with the use and economy of Chi-Namel in the home.
